GOOD BYE AND GOOD LUCK CLASS OF '96

NORTH SHORE REGIONAL VOCATIONAL SCHOOL DISTRICT

30 Logbridge Road, Post Office Box 806
Middleton, Massachusetts 01949-2806
Telephone (508) 762-0001
Fax (508) 777-8403

To the Class of 1996:

Let me start by wishing you happiness, success and prosperity in your lives. Having been in the Superintendent-Director's position for only a portion of your senior year, I do not know you all personally, like I wish. But knowing the staff of North Shore Technical High School, I am confident you have been well prepared for the future. Graduation is a milestone for each and everyone of you. I encourage you to attain many more milestones in your life time. Hard work, time, effort, a stick-to-attitude will help you in all your future endeavors. Remember, learning is a life-long process, all of us learn something new daily and hopefully grow from these experiences. The millennium is four years from now, the year 2000, believe me its quite close. Set some goals for yourself, constantly striving to improve, and with the right attitude, no one can stop you from achieving your goals. Remember North Shore Tech is always here to help and assist you.

The future is yours; the future is you; find your star and follow it! Good luck.

Sincerely,

Edmund W. Barry, Jr.

*It's finally come.
Only memories are left.
You've walked many paths through out your four years.
You've had dreams come true.
You've had your highs and lows,
And in a way , made something of yourselves.
